These amounts are equally divided between the two Deputy Directors who will take necessary action in the matter.

2. Students who once fail to secure promotion from one class to another will be given reduced scholarships, the reduction amounting to not less than one-third of the ordinary value of the scholarships according to the manner in which the candidates have acquitted themselves in their examinations. Ordinarily no student who fails twice will be eligible for a scholarship and, in no case, a student who has failed thrice.

3. As far as possible, scholars under this scheme will be required to live in a recognised boarding establishment, whether Government or aided where such exists and the scholarships due to them will be handed over to the managers of the institutions to be expended on their behalf, proper accounts being maintained in all cases by the said managers.

(*b*) In the case of non-scholarship holders, a sum not exceeding Rs. 5 each will, where necessary, be paid by the Deputy Directors concerned towards the clothing of the student (both boys and girls) for which purpose a lumpsum provision of Rs. 2,000 has been provided during the year as stated in para (1) above.

5. In all the above cases, the Deputy Directors will draw the clothing allowance *i.e.*, Rs. 5 each in advance, and order out a set of uniform clothing for each student, the cost being within the clothing allowance sanctioned, and distribute the clothes to the students concerned in the light of the instructions issued in this Office No. Cir. 8 of 16th October 1923. Any change remaining after this supply may be paid to them in cash in the case of scholarship holders, the signature of the students being taken in the salary acquittance roll of the school both for the supply of clothing and for the payment of cash in the case of scholarship holders and for the supply of clothing in the case of non-scholarship-holders.

6. Applications in the prescribed form either printed or manuscript from students of Primary and Middle School Classes must, in the case of boys as well as girls, be submitted to the District Educational Officers through their Headmasters and from those of High

School Classes to the Deputy Directors not later than 15th July. The District Educational Officers will consolidate the applications received, the names of students being arranged in the order of merit and submit the same to the Deputy Directors not later than 20th July. The Deputy Directors will award the above scholarships and submit a copy of the award list to the head office with full particulars as to the number of applications received by Districts, scholarships awarded and the number of scholarships allowed to lapse, if any.

7. The Deputy Directors may at their discretion distribute the Middle School and Primary School Scholarships among the several District Educational Officers who will award the scholarships and submit award lists to this office.
